Press Communique, dated the 27th July 1916, from the Government of India, Foreign and Political Department.

The following revised orders on the subject of entry into Egypt are published for general information:-

(1) Applications for permission to enter Egypt must be made to the passport issuing authority in time to reach Egypt, if possible, at least one month before the proposed date of sailing except in the case of applications from Aden which must reach Egypt 14 days before the proposed date of sailing.

(2) In urgent cases applications may be made by telegraph through the same channel at the applicant's expense.

(3) In all applications the purpose of the visit and the grounds of real urgency should invariably be stated. This applies also to officials travelling unofficially as for example on leave.

(4) The stringency of the measures already in force has been to a certain extent relaxed in regard to bona fide residents in Egypt of British or Allied Nationality wishing to return to Egypt. Such persons may take it that permission given to leave Egypt carries with it, as far as the Egyptian authorities are concerned, permission to return provided that (1) no unforeseen event should have occurred to alter circumstances in Egypt and that (2) during their stay in India or elsewhere they have not given the authorities in the country in which they have been staying ground for uneasiness or suspicion. In order to satisfy this latter condition however they will have to go through the formality for permission to return to Egypt as stated above.
